September Class in the Works

I'm putting together a special fold class using the **Big Shot** and **framelits**. We'll be combining a special fold, designer series papers, the cute stamp set **For the Birds** and watercoloring. You'll be able to choose three of your own themed images to stamp and watercolor. Should be a **fun** class. More information coming up in the near future!

Personal Note and Update from Heidi...

Thank you to everyone who came out for this year's New Catalog Workshop. I sure had a lot of fun seeing everyone and getting a chance to get caught up with many of you. My only regret is that I didn't take any pictures...aargh! I wish I would have remembered to snap some of the fun so that I could have shared the pictures with all of you. Hopefully I'll remember next year. Also, thank you to everyone who placed a workshop order last month.

I'm looking forward to seeing many of you at this month's card class. I had a lot of fun creating the punch art cards and can't wait to share them with you. My afternoon class filled up so quickly that I'm adding a morning class from 10-Noon to help make room for a few more people. Let me know if you'd like to switch from the afternoon class to morning. I also have an overflow class on Saturday, for anyone who can't make it on Tuesday.

See you all soon! ~ Heidi
