Digital Size 2.986w x 1.613h
- After printing, trim sentiment to 3w x2-3/4h  
with top cut at 1/8" from "G" in Gratitude

##### *French Foliage*

- Leaf 3 image, double-stamped  
Digital Size 2.363w x2.363h
- First stamp is the largest image, stamp in More Mustard, sent to back
- Second stamp make slightly smaller, stamp in Early Espresso, place over More Mustard leaf
- Cut around leaf image with scissors after printing

### DSP

Spice Cake (More Mustard stripe or MDS Image- 4) 3-1/8 x 4-3/8, lines vertical

### Ink:

Soft Suede

### Accessories:

Big Shot: Framed Tulips Texture Impression Folder

Punches: Scallop Edge

Additional Supplies: Sponge, (4-1/2") 5/8" Early Espresso Satin ribbon, 12" linen thread, Snail adhesive, dimensional,

## 1. Big Shot:

- a. Framed Tulips embossing folder – Center Soft Suede card front in folder and run through Big Shot to emboss.

## 2. Punching (use punch pieces):

- a. Scallop Edge - Bottom of Early Espresso Border, center in punch so scallops on both sides are even  
Bottom of Whisper White Digital Sentiment, make sure that scallops will match Early Espresso scalloped border
- b. Scissors – Cut around edges of French Foliage digital leaf stamp leaving about 1/16" white border around stamped image

**3. Sponging:**

Soft Suede -

All 4 edges of Spice Cake DSP

Sides and top of Gratitude sentiment

All edges and into center of digital French Foliage leaf image

**4. Assemble Card:**

a. Snail More Mustard Spice Cake DSP to center of Soft Suede card front.

b. Center and Snail Gratitude scallop punched sentiment to scallop punched Early Espresso border. Wrap around the front and Snail ends of Early Espresso ribbon to Early Espresso/Whisper White sentiment along lower section, just above scallops.

c. Dimensional scallop edged Early Espresso/Sentiment to front of card, 1/2" down from the top of More Mustard Spice Cake DSP.

d. Dimensional cut out digital French Foliage leaf to bottom section of scallop edge Early Espresso/Sentiment panel, making sure that the stem extends to center of ribbon. Trim the end of the stem if needed. Wrap linen thread around ribbon and stem. Tie in a bow on stem.
